

Fire Danger Ratings

The Fire Danger Rating is a weather forecast and helps you to understand how bad a fire will be should a fire start.

Fire Danger Rating	What Should I do?
CATASTROPHIC Total Fire Ban	You need to act now .
EXTREME Total Fire Ban	You need to get ready to act .
SEVERE Total Fire Ban	You need to be aware .
VERY HIGH	<ul style="list-style-type: none">• Check your Bushfire Survival Plan.• Monitor conditions.• Action may be needed.• Leave if necessary.
HIGH	
LOW - MODERATE	

If you are alone and/or not fit and able to actively defend your home in a bushfire, it is recommended that you relocate to a Bushfire Safer Settlement or Safer Precinct on days of Catastrophic, Extreme or Severe predicted fire weather.
